GENERAL SECRETARIAT

SIR,

C.P. Account No.1189 in Krishnarajnagar Taluk Treasury belonging to the late Mr. Pokeli Narasappa's Charities, Mysore.

I have the honor to forward herewith an original correspondence ending with letter No.H.1338/34 dated 21-3-1936 from the Deputy Commissioner, Mysore District, recommending that the balance of Rs.4,349-1-7 available in the above may be transferred to Mr. N. Krishnaswami Rao after adjusting Government dues, if any, on the lands.

2. The Deputy Commissioner's letters of 8th May and 4th August 1936 explain fully the facts of the case. The balance available in the C.P. Account represents the contributions paid by the ryots of Hestur Village on account of the occupancy right conceded to them in respect of certain lands belonging to the Charities and this amount is recommended to be paid to Mr. N. Krishnaswami Rao in reccupment of the sum of Rs.5,355-1 paid by him to the Mysore City Municipality towards the cost of constructing the Dispensary in Nazarbad Mohalla at Mysore, sanctioned in G.O.No.33-5/Muz.323-08-14 dated 4th July 1913. Under the terms of the Razinama filed by the parties in O.S. No.18 of 1930-31 on the file of the District Court, Mysore, any income over and above the expenses not exceeding Rs.2,500 has to be appropriated and enjoyed by the plaintiff, i.e., Mr. N. Krishnaswami Rao, his heir and successors, subject to the conditions enumerated in the Razinama. The Deputy Commissioner states that the management of the Charities by Mr. Krishnaswami Rao has been satisfactory, that the conditions of the Razinama have been satisfied and that he is very enthusiastic in the welfare of the Charities

and is contemplating to undertake repairs and improvements to temple and the chattram buildings to the extent of over Rs.10,000. In view of these considerations and of the fact that the terms of the Fazlnama are being observed, there does not seem to be sufficient justification to withhold the payment of the balance available in the S.P. Account to Mr. Krishnaswami Rao, as it rightly belongs to the Charities and as the amount paid to the Municipality for the building of the Dispensary out of his other resources has to be paid back to Mr. Krishnaswami Rao. But, as the Government Order sanctioning the construction of the Dispensary directed that the arrears of revenue collected from Kachanahalli village should be utilised towards the cost of building the Dispensary and as the balance in S.P. Account represents the contribution paid by the ryots on account of the occupancy rights conceded to them, I felt a doubt whether both meant one and the same thing and whether the amount may be paid to Mr. Krishnaswami Rao, as recommended by the Deputy Commissioner. It seems to me that either the arrears of revenue collected from the village or the amounts realized by the sale of occupancy rights form the income of the Charities and that Mr. Krishnaswami Rao is entitled to be recouped to the extent of the amount paid by him to the Municipality irrespective of the fact that he is entitled to appropriate to himself the income derived from the Charities over and above the expenses actually incurred. I am, therefore, of opinion that the amount in the S.P. Account may be paid to Mr. Krishnaswami Rao and solicit orders of Government in the matter.

I have the honor to be,

Sir,
